This certifies that the above item(s) were manufactured according to Honeywell Sensing & Productivity Solutions documented procedures and inspection plans. Our inspection reports covering materials and parts used in the specific products are on file for examination. Inspection records of functional tests are also on file for examination.

COUNTRY OF ORIGIN: identified in the data section above.

If installing this product on a commercial aircraft in an aerospace aftermarket application:
This part was manufactured to an industry or Aerospace OEM standard that may have dual use.

Delivery: 8119993894

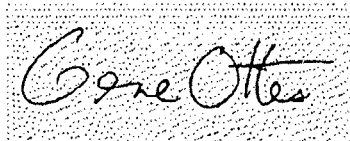

Date of Certificate: 11/21/2016

Honeywell is not offering this part for installation on an FAA type-certificated product unless:

- 1) it is accompanied by an FAA 8130-3 tag or equivalent certification provided by an authorized Honeywell representative; or,
- 2) the installer has FAA type certificate approval, or other regulatory approval, to authorize the part and/or next higher assembly airworthiness.

If you need this part for a commercial aircraft repair, it must be obtained from the Type Certificate Holder.

The undersigned certifies that all information on this document is true and accurate.
